

## STATEMENT OF;

On or about 10-31-87, I went to the McLennan County Jail to interview Arthur Brandon, BM. I had never met Brandon, however he was telling his parole officer, his attorney and other Waco Police Officers that I had made a deal with him to have a Reckless Conduct charge dropped on him if he would help me on some burglaries. The County Jail Deputies brought Brandon to the Jail interview room and I approached him. I asked him if he knew me. Brandon said "No". I asked him if he was sure and he said "Yes, I'm sure I don't know you." I said "Then why in the Hell do you keep telling everyone that I made a deal with you to have a reckless conduct case dropped when we've never met. I'm Niculetta". I summoned Brandon into the interview room and he told me that he had given Detective Fuller information on Burglaries involving Chris and Clyde Brown. He said Fuller would pass the information to me. Fuller never talked to me about Brandon or the Browns. Detective Turk and I arrested Chris Brown at Clyde's Apartment and confiscated stolen property w/o any info from anyone. I asked Brandon why he was worried about the Reckless Conduct case since he was also in jail for Murder. Brandon said Truman Simons had made a deal w/him to have the Murder charge dropped in exchange

STATEMENT OF;

for testimony at the Calvin Washington Murder case. I asked Brandon if he was going to testify and he said "No, my wife is". He said his wife didn't have a criminal record like he did. Brandon also said he was only worried about the Reckless Conduct case because it could revoke his Parole. I told Brandon I was going to talk to Fuller and I would get back w/him at a later date.
